

Residencies!

Our students, in every grade, will begin a host of exciting residencies! The bulk of the residency monies come from School Funds and the Parents' Association. Parental contributions of \$25.00 per child are also needed in order to serve every child in every grade. Please send a check made out to PS 144 School Funds to contribute. Pre- K has its own budget, and this is why it does not appear here. Please call Mrs. Olshan if you have any questions at (718) 268-2775.
