Dear Parents/Guardians of Class 2-300B,

I would like to prepare a Class List of all the students in Class 2-300B. Everyone in the class will receive a copy of the completed list.

The information submitted is voluntary. The class directory is compiled by parents and is used for information and networking purposes. It is used to facilitate communications between parents and coordinating class events. It is also used as a helping tool for parents in finding out what the homework is for a sick child or a child who has forgotten the homework assignment.

If you do not want to be added to the PA directory, please check the line at the bottom of the form.

Please complete the following details and return in your child's backpack to the attention of Lisa Brody (Henry Ernsberger's mother). Please return the form by September 12, 2008. If you have any questions, please call (718-544-1102) or email (kitzelkat@mac.com) me.

Thank you.  
Lisa Brody

**Please return by Friday, September 12, 2008**
